

ContractMaster

This module:

- ✓ Creates contracts on the fly for new or existing clients
- ✓ Fully dynamic & configurable workflow:
 - eFormulaire
 - eQuestionnaire
 - Upload of documents
 - Call to any external service
- ✓ Reduces the cost of generating new contracts based on clients' specifics
- ✓ Multilingual
- ✓ Eliminates risk of having noncompliant contract generated using copy/paste or equivalent manual process
- ✓ Creates all possible contracts starting from the same single point in the process.

Sample Screens/Features/Options:

HR Contract
with eFormulate

Dynamic Contract
(Permanent option)
