

CorpAction

This module automates the generation of corporate action notice letters in the language of every client.

- ✓ Creates letters based on corporate actions events
- ✓ Allows to modify and review before publishing
- ✓ Manages both voluntary & mandatory events
- ✓ Reduces time to manage corporate action notice letters
- ✓ Solves an “operational nightmare” within banks
- ✓ Added-value to possibly enrich a corporate action notice letter, add some relevant information before sending
- ✓ Allows flexibility to manage coupon-response

Corporate Actions in the Stock Market
